## Newsletter – September 2015

### So far so good...

#### Fantastic news:

The Scottish Land Fund (SLF) said 'YES' and they have agreed to shell out £224,000.

Yep - 224 Thousand Pounds.

And with £42,036 from Highland & Islands Enterprise (HIE), and £10,000 allocated by the Glengarry Trust, we are ready and able to buy Invergarry Wood, and cover associated costs, including employing a Community Development Officer.

Invergarry Wood and Depot will be ours, belong to us, be in our ownership, and will be our responsibility. "Ours" means, all of us. So, what do you want to do next?
